### DESCRIPTION

The system case with the RUNPOMETER RM35 case insert is perfect for storing and transporting the RUNPOMETER RM35 including accessories (belt with clip system, anchor pad, mounting plate system case, guide jaws and USB-C charging cable with power supply). One advantage is the fast click system, which allows the boxes to be connected to each other without effort and disconnected again at the push of a button. The boxes are easily stackable thanks to the quick click system.

The W-BOXX can be seamlessly integrated into the Sortimo Globelyst system.

The high-quality and lightweight W-BOXX made of PP plastic is impact and shock resistant and splash-proof.
